Terms

Highsmith will ship on open account to libraries, schools, colleges, universities, hospitals and other public institutions. Private business firms and institutions may open accounts with a D & B number. For orders not placed on an open account, you must send payment with your order or charge to MasterCard, VISA, Discover or American Express. Checks are approved through a check clearing service to allow for immediate order processing. All orders are subject to acceptance and credit approval. Payment in U.S. dollars is expected within 30 days of invoice date.

Shipping charges are extra and will be added to your order where appropriate. Products in this catalog listed with a "yes" under the $5 symbol qualify for a flat $5.00* shipping charge per order when shipped standard delivery from our warehouse to anywhere within the 48 contiguous states. Products listed with a "no" ship directly from the manufacturer instead of our warehouse and the flat $5.00 shipping charge does not apply. To calculate shipping for products that ship from the manufacturer, call 1-800-558-2110.

*The flat $5 shipping charge is not valid in combination with bids, special orders or other promotions involving special pricing. It is not valid for orders shipped outside the 48 contiguous states and does not apply to rush or special delivery.

Sales Tax Requirements

Call 1-800-558-2110 for appropriate sales tax information.

If you hold a Certificate of Exempt Status, you must send a copy of your exemption certificate or the appropriate sales tax will be charged to your order.
