Story Cards

Story Cards feature a leveled passage. Each passage is followed by a question that asks the player to use logic and reasoning to choose the answer from multiple choices.

Optional Rules

1. Players may choose to read Story Cards to themselves.
2. One person may be in charge of the Answer Key throughout the game. The person to the player's left checks the answer when it is that player's turn.

Rules of the Game

Scenario:

1. Each player selects a pawn and places it on the Start space. Shuffle the Story Cards and place them next to the board.
2. Take turns rolling the die. The player with the highest number goes first. The player to the left of that person will check the Answer Key. Play continues to the left and the Answer Key passes to the player on the left with each turn.
3. The first player rolls and moves that number of spaces. If a player lands on a Riddle Master Challenge Space, the player picks a Story Card. The player reads the card out loud and tells the player with the Answer Key his or her answer.
 - If the player is correct, he or she moves ahead one space. Play passes to the left.
 - If the player is incorrect, he or she remains on the space and places the card at the bottom of the deck. Play passes to the left.
4. The first player to reach the Finish space and correctly answer a Story Card wins. Finish does not need to be reached on an exact roll.
