

# Winter Holiday Acrostic Poems

An acrostic poem can be read up and down and across. The letters of a word, written vertically, are used in other words or phrases written horizontally, to make a meaningful composition.

Here's an example:

**H**OLIDAYS ARE...  
SPECIAL **F**OODS,  
FAMILY **G**ATHERINGS,  
**G**IFTS GIVEN AND RECEIVED,  
REMEMBERING **D**AYS GONE BY,  
BEING **T**HANKFUL,  
PLAYING **G**AMES,  
**S**HARING HAPPINESS.

Now create your own acrostic poem for one or more of these December holidays.
