

Valentine's Day Proverbs

Name _____ Grade _____ Date _____

Proverbs are short sayings that usually contain a bit of advice or wisdom. Benjamin Franklin used many proverbs in his "Poor Richard's Almanac," which he issued for many years in the 1700s. One of his most famous proverbs is "A penny saved is a penny earned." Starting with the first letter, cross out every other letter. Then write down the remaining letters to decipher these proverbs in honor of Valentine's Day.
