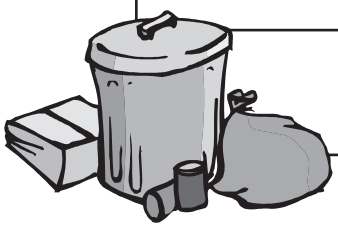
# Where Does the Garbage Go?

Complete the chart by listing common consumer products that you discard when you've finished with them. Use classroom and media center resources to find out what happens to these products and ways they might be reused or recycled.


| PRODUCT | WHERE DOES IT GO? | HOW CAN IT BE REUSED/RECYCLED? |
|---|---|---|
| ***Example:*** *Old car tires* | *Into a landfill or dumped into creeks or empty lots* | *May be reconditioned for use as retreads, or shredded or melted to make other products like asphalt or soft playground surfaces* |
