

Fiction/Nonfiction Book Reviews

Choose a fiction book about ocean life; then find a nonfiction title about the same sea animals that play a role in the fiction title. After reading both books, fill out this form. You will share your mini-review in class.

If you liked _____ (the title of your nonfiction book),

you'll like _____ (the title of your fiction book).

Here's what I learned about ocean life from each book.

Here's what I liked/disliked about each book and why I do/don't recommend it.
